10 Reasons Your Company Should Consider Apprenticeship–NH:

1. Apprenticeship programs create lower worker turnover due to the fostering of greater worker loyalty and productivity.
2. Apprenticeship programs enable companies to improve their existing workforce by improving the skills of their employees if they participate in apprenticeship programs as incumbents.
3. Apprentices can fill necessary positions while completing apprenticeship.
4. Apprenticeship programs enable companies to have a workforce that is highly-skilled.
5. Training apprentices can help a company accommodate an aging workforce.
6. Apprenticeship programs provide companies with a way to keep employees up-to-date with industry trends, changes and skills, as well as new technologies.
7. Apprenticeship programs provide companies with hire-ready employees upon program completion.
8. Businesses can customize apprenticeship programs to address the needs and challenges they face.
9. On-the-job training is customizable to meet your company's needs, ensuring that apprentices are proficient in the positions they will fill.
10. Apprenticeship programs offer companies the ability to customize an incoming group of employees.
