

Reemployment System Integration National Dislocated Worker Grants

Process for Submitting Modification Requests for Period of Performance (POP) Extensions

- The Reemployment System Integration (RSI) Dislocated Worker Grants (DWGs) expire on September 30, 2018.
- RSI DWG recipients may request a POP extension by submitting a modification request to the assigned Federal Project Officer (FPO).
 - Recipients may submit POP extension requests immediately.
 - POP extension requests must be received by August 1, 2018, to ensure adequate time for review and processing.
- RSI DWGs may be extended no later than *September 30, 2019*.
- Regional Offices may process the POP extension modification requests, ensuring that recipients adhere to the modification requirements, as provided in Employment and Training Order #1-17, Attachment E (attached).
- If the Regional Office has concerns regarding the POP extension, please notify the National Office for further discussion, and to determine next steps.
