

Executive Summary

Strategies in Action: Bridging SCSEP & WIOA

12/12/2018

Moderator: [Charlotte Harris](#)

Speakers: [Carol Salter](#), [Dan Hogan](#), [Angie Nelson-Wernli](#)

This webinar will allow grantees to learn from their peers the challenges and successes they experience integrating senior employment services with activities under Workforce Innovation and Opportunity Act (WIOA).

How did you do it? Grantees discuss their journeys through the governance structures to substantially improve how they coordinated with partner programs to provide integrated services and activities for their customers. They will share the challenges and successes of bridging senior employment services with the workforce system. Join this session to hear grantees discuss their strategies for working with the local American Job Centers and Workforce Development Boards, overcoming obstacles, developing a Memorandum of Understanding (MOU) and an Infrastructure Funding Agreement (IFA), and improving partnerships and sharing of resources across programs.
