Apprenticeships: Closing the Skills Gap Grantee Orientation

April 7, 2020

Moderator: [Danielle Kittrell](#)

Speaker(s): [Ayreen Cadwallader](#), Robin Fernkas, Denise Roach, [Brinda Ruggles](#), [Gregory Scheib](#)

The Apprenticeships: Closing the Skills Gap Grantee Orientation is the first in a series of webinars for grantees in order to support your grant management activities throughout the four-year grant period of performance.

During this orientation grantees will receive an overview of grants management, performance management, and communication activities by the Federal team that will be supporting these grants. Grantees will learn about the roles of the National and Regional offices, explore the grant package, and provide information on performance reporting and technical assistance.

This webinar is appropriate for individuals who are responsible for grant implementation and/or project management, such as your authorized representative, program manager(s), case managers, and other appropriate staff.
