Speaker(s): [Gabrielle Aponte Henkel](#), [Gina Wells](#)

The Office of Apprenticeship (OA) provides State Apprenticeship Expansion (SAE) Grantees with information and resources to support sustainability planning for SAE-funded apprenticeship expansion activities.

This webinar is organized around four key sustainability planning tasks:

- Program Assessment
- Succession Planning
- Building and Maintaining Partnerships; and
- Funding Sustainability

Participants leave the webinar with a SAE sustainability planning tool/checklist that will help states apply what they learn and position SAE-funded activities for sustainability.
