Executive Summary

Overview: Validating Required Performance Data Submitted by DOL Grantees

07/29/2020
Moderator(s): Cesar Villanueva
Speaker(s): Toquir Ahmed, Christina Eckenroth, Robert Hoekstra

This webinar introduces the concept of data validation and its application for DOL-funded grant recipients and focuses on the impacts to data validation requirements for titles I and III, as well as Trade Adjustment Assistance (TAA).

The webinar:

- Familiarizes participants with the structure and application of TEGL 23-19;

- Provides an overview of data validation requirements and guidance; and

- Addresses questions about the guidance and data validation.
