

ACA Advisory Committee Webinar

Thank you all so much for your interest in the Advisory Committee on Apprenticeship (ACA) and for registering and joining last week's public interest session! We had a tremendous turnout, so much so that I have asked my team to explore additional topics that we can share with stakeholders in order to convene similar sessions on a more consistent basis and to also look at other ways to collaborate with you as we advance this Apprenticeship Renaissance! Most importantly, we had diverse turnout! This will really help as we seek to have a more diverse committee. And, again, as I shared, a more diverse group will come up with better ideas and lead to better results!

As mentioned on the webinar, the ACA's nomination period will close soon. If you are interested, or would like to nominate someone to serve, please submit your nomination by Thursday, June 3, 2021. Please feel free to also share this out with your networks!

Instructions on how to apply along with a copy of the ACA's [Charter](#) can be found on our website:
