## H-1B Rural Healthcare and One Workforce Performance Reporting Orientation 2.0

Thursday, July 15, 2021

Moderator: Dani Abdullah

Speaker(s): [Gregory Scheib](#) and [Kristen Milstead](#)

*This is the second of three webinars in our H-1B Rural Healthcare and One Workforce Performance Reporting orientation series. Grantees will learn about the policy and technical details of reporting participant data accurately in WIPS to generate the Quarterly Performance Report (QPR) and the aggregation rules used to inform the QPR. Grantees will also have an opportunity to ask performance policy and technical questions during the webinar.*

*Webinar 2.0 will:*

*Provide guidance on how to report training and employment outcomes using PIRL data elements;*

*Review the outcomes from your Statement of Work, how they are related to the H-1B QPR and the data elements that are reported; and*

*Review the interim reporting guidance and performance reporting guidance for the quarter ending September 30, 2021.*
