The Office of Apprenticeship (OA) provided SAEEI Grantees with an orientation webinar to review agency offices and roles, allowable grant activities, reporting activities, resources, and more!

The SAEEI Grantee Orientation provided an overview of the roles and responsibilities between Office of Grants Management (OGM), Office of Apprenticeship (OA), and the Regional Offices. Other important topics include: 1) allowable grant activities, 2) performance and reporting requirements, 3) grant management, 4) technical assistance, 5) grant award package overview, and 6) fiscal responsibilities.

The Office of Apprenticeship encouraged SAEEI key project staff, leadership, partners, contractors, ETA regional staff, and subject matter experts to attend.
