H-1B Rural Healthcare and One Workforce Performance Reporting Orientation 3.0

August 19, 2021

Moderator: Dani Abdullah,

Speaker(s): Gregory Scheib, Kristen Milstead, Ayreen Cadwallader,

This is the third and final Performance Reporting Orientation webinar customized for H-1B Rural Healthcare and One Workforce grantees. Grantees will learn about the technical details of reporting participant data accurately for the Quarterly Performance Report (QPR).

Webinar 3.0 will:

- Describe how to upload participant level data to generate a QPR form;
- Describe the format and structure of a data file;
- Walk-through the creation of a comma-separated values “CSV” data file and describe ongoing case management processes;
- Introduce the edit check process in the Workforce Integrated Performance System (WIPS) and how to resolve WIPS validation errors in your data file;
- Explain how the data you submit in your data file is aggregated and where it displays in the QPR; and
- Discuss next steps/action items for August – September 2021.
